Mqapheli Services (Pty) Ltd is a dynamic, 100% black-owned company founded in 2014 by Mr. Nene. Headquartered in Durban, KwaZulu-Natal, we have evolved into a multifaceted service provider committed to excellence, reliability, and integrity across diverse industries.

Our operations are structured around four core divisions: **Construction, Security, Cleaning, and Logistics**. Each division is managed by experienced teams and equipped with the tools and systems necessary to ensure quality delivery and customer satisfaction.

Whether we are building infrastructure, securing assets, maintaining clean environments, or transporting goods, we consistently uphold high standards of professionalism and service.

Over the years, Mqapheli Services has built a solid reputation through its commitment to quality workmanship, empowerment of local communities, and contribution to South Africa's social and economic development. We pride ourselves on delivering sustainable solutions that make a real impact in the lives of our clients and the communities we serve.

MISSION & VISION

*Committed to quality.
Trusted for consistency.*

Mission

To provide high-quality, reliable, and integrated solutions tailored to our clients' needs across multiple sectors. We are committed to operational excellence, safety, and integrity—driven by skilled professionals, modern technologies, and a passion for service. Through each project, we strive to uplift local communities, support economic growth, and deliver lasting value that exceeds expectations.

Vision

To be South Africa's leading black-owned multidisciplinary service provider, setting the benchmark for excellence in construction, security, cleaning, and logistics. We aim to create sustainable impact through innovation, superior service delivery, and meaningful transformation that empowers communities and builds long-term partnerships.

EXPLORE OUR DIVISIONS

At Mqapheli Services, we have evolved into a multi-disciplinary company with diverse capabilities that serve the growing needs of both public and private sectors.

Division 1:

Construction

Division 2:

Security Services

Division 3:

Cleaning Services

Division 3:

Logistics Services

DIVISION 1
**CONSTRUCTION
SERVICES**

*Solid foundations,
stronger futures.*

At **Mqapheli Services (Pty) Ltd**, we deliver high-performance construction solutions designed to meet the demands of modern infrastructure, residential developments, and commercial growth. Our team is equipped with the skills, experience, and resources to handle complex projects from planning through to final handover.

We offer the following services:

Commercial Construction

Design and development of office parks, retail centres, warehouses, and business facilities.

We ensure all projects meet industry standards and client specifications with a focus on quality and efficiency.

Residential Housing Projects

Construction of affordable housing units, private homes, and large-scale residential estates.

We build safe, sustainable, and comfortable homes that uplift communities and enhance lifestyles.

Turn-Key Construction

Complete project delivery from concept to completion, including design, procurement, and construction.

Our integrated approach ensures clients receive a fully operational facility on time and within budget.

Civil Works and Infrastructure

Earthworks, roads, drainage systems, and concrete structures that support essential infrastructure.

We deliver durable civil projects that meet public sector and private client expectations.

Pre-Construction Services

Feasibility studies, planning, cost estimation, and documentation before ground is broken. We lay the groundwork for success by identifying risks early and offering strategic input.

Renovations and Alterations

Refurbishment and upgrading of existing buildings for enhanced usability and value.

We modernize spaces without compromising their structural integrity or original purpose.

Project Management

End-to-end project coordination with a focus on timelines, compliance, cost control, and quality.

Our project managers ensure seamless execution and transparent client communication at every stage.

Steelworks and Structural Fabrication

Custom structural steel solutions for industrial, commercial, and residential use.

We fabricate and erect steel components with precision, durability, and safety in mind.

DIVISION 2

SECURITY SERVICES

Your safety, our commitment.

At **Mqapheli Services (Pty) Ltd**, we provide reliable, responsive, and professional security services tailored to protect people, property, and operations. Our well-trained personnel, advanced systems, and proactive strategies ensure a secure environment for clients across various sectors.

We offer the following services:

Manned Guarding

Deployment of trained, uniformed security officers for residential, commercial, and industrial sites.

Our guards are vetted, alert, and client-focused, ensuring 24/7 protection and peace of mind.

Access Control Management

Systematic monitoring of entry and exit points using physical personnel and digital systems.

We safeguard premises against unauthorized access while maintaining smooth operational flow.

CCTV Surveillance Monitoring

Installation and remote monitoring of CCTV systems to detect, prevent, and respond to incidents.

Our team uses real-time data and recordings to ensure high-level surveillance coverage.

Event Security Services

Strategic crowd control and risk management for corporate events, public gatherings, and private functions.

We assess venue layouts and deploy personnel

Mobile Patrol Services

Scheduled and unscheduled security patrols using marked vehicles and trained personnel.

Ideal for large properties or multiple sites, our mobile teams act as visible deterrents to criminal activity.

Alarm Response & Monitoring

Rapid response to triggered alarms and coordination with emergency services.

We ensure incidents are addressed immediately and protocols are followed professionally.

Retail & Asset Protection

Loss prevention and shrinkage control for retail environments and high-value assets.

Our officers are trained in situational awareness and customer interaction.

Construction Site Security

Dedicated guarding and surveillance for active building sites and heavy equipment.

We minimize risks of theft, vandalism, and unauthorized access during off-hours.

DIVISION 3

CLEANING SERVICES

From spotless floors to sparkling reputations

**CLEANING
IN PROGRESS**

At **Mqapheli Services (Pty) Ltd**, we offer professional, eco-conscious cleaning services that promote health, hygiene, and operational efficiency. Our team is trained, equipped, and committed to maintaining spotless environments across commercial, industrial, and public spaces.

We offer the following services:

Commercial Cleaning

Routine and deep cleaning services for offices, retail spaces, and corporate facilities.

We help businesses maintain a clean, welcoming environment that supports productivity and professionalism.

Industrial Cleaning

Specialized cleaning for warehouses, factories, and production facilities.

Our staff is trained to handle heavy-duty equipment, hazardous areas, and strict hygiene standards.

Post-Construction Cleaning

Thorough cleaning of construction sites to remove debris, dust, and leftover materials. We prepare new buildings for occupancy with attention to detail and safety compliance.

Window and Glass Cleaning

Interior and exterior window cleaning for low-rise and high-rise buildings. Our use of proper tools and safety gear ensures a streak-free finish and pristine appearance.

Floor Care & Maintenance

Stripping, waxing, buffing, and scrubbing of all floor types including tiles, vinyl, and concrete. We preserve flooring lifespan and appearance with safe and effective treatment.

Sanitization & Disinfection Services

Targeted disinfection of high-touch surfaces in workplaces, schools, clinics, and public facilities. Our products meet health regulations and provide peace of mind in the fight against viruses and bacteria.

Public Area Cleaning

Cleaning of parks, malls, transport hubs, and municipal facilities. We keep high-traffic areas clean, safe, and pleasant for public use.

Waste Management & Removal

Collection, segregation, and disposal of general and hazardous waste. Our practices support environmental responsibility and regulatory compliance.

DIVISION 4

LOGISTICS SERVICES

*Efficient logistics.
Reliable outcomes.*

At **Mqapheli Services (Pty) Ltd**, we provide fast, secure, and cost-effective logistics solutions that support supply chains and business operations across industries. With a skilled team and a growing fleet, we move goods safely and efficiently from origin to destination.

We offer the following services:

Local & Regional Freight Transport

Safe and reliable movement of goods within urban and rural areas.

We handle scheduled deliveries, bulk shipments, and special consignments across KwaZulu-Natal and beyond.

Last-Mile Delivery Solutions

Timely delivery of products from transport hubs to final customer destinations.

Our efficient routing and real-time tracking ensure satisfaction at every handover point.

Contract Logistics

Customized transport and delivery services under long-term agreements.

We become an extension of your business with dependable service, branding support, and scalable solutions.

General Cargo Handling

Transportation and management of palletized goods, retail stock, packaging, and consumables.

We ensure items are delivered in perfect condition with appropriate handling and documentation.

Secure Goods Transport

Movement of high-value or sensitive goods under enhanced security protocols.

Our drivers are trained and vetted, and our vehicles are monitored for added protection.

Fleet Management Services

Operational oversight of company-owned or outsourced vehicles.

We manage scheduling, maintenance, fuel usage, and compliance to optimize transport operations.

Warehousing & Storage Coordination

Partnered warehousing support for short-term or long-term goods storage.

We help clients manage space, stock rotation, and delivery timelines with precision.

Logistics Support for Projects

Transport of equipment, construction materials, and supplies for development projects.

We work closely with project managers to meet timelines and maintain smooth site operations.

PARTNERS & ASSOCIATES

Trusted Collaborations: Our Key Partners and Associates

We proudly work with various government departments and municipalities across KwaZulu-Natal, delivering projects aligned with national standards. Our operations are fully compliant with CIDB, PSiRA, SARS, CSD, COID, and other regulatory bodies—ensuring professional integrity, quality service, and trusted delivery on every project.

PARTNERS

ACCREDITATION & AFFILIATES

PROJECT MANAGEMENT

At **Mqapheli Services (Pty) Ltd**, our project management division ensures that every project — whether construction, cleaning, logistics, or security — is executed with precision, efficiency, and accountability. We coordinate all phases from planning to handover, ensuring on-time delivery, within budget, and to the highest standard.

Our project management expertise includes:

End-to-End Coordination: We manage the full project lifecycle — from initiation and planning to execution and closure. Our team ensures clear timelines, resource allocation, and seamless communication at every step.

Budget & Cost Control: Effective financial planning, forecasting, and expenditure tracking to avoid overruns. We maintain cost discipline while delivering value and quality across all deliverables.

Risk Management & Compliance: Identification and mitigation of project risks, delays, and regulatory concerns. Our methods prioritize safety, legal compliance, and proactive issue resolution.

COMPANY HIGHLIGHTS

Since our establishment in 2014, **Mqapheli Services (Pty) Ltd** has grown into a trusted multi-service provider known for reliability, quality, and client satisfaction. Below are some key milestones and achievements that define who we are:

01

10+ Years of Service Excellence

Over a decade of successful delivery across construction, cleaning, logistics, and security — consistently exceeding client expectations.

02

Diverse Project Portfolio

Our high CIDB grading reflects our proven capacity to deliver complex civil engineering and general building projects at scale.

03

Skilled & Committed Workforce

A team of 80+ trained professionals driven by integrity, performance, and continuous improvement.

04

Strong Client Retention

High client return and referral rate — a reflection of our consistent service quality, transparent communication, and dependable delivery.
